The Rt. Rev. Emilio J. Hernandez
Bishop of Cuba
Centro Diocesano
Calle 6 numero 273 Vedado
Havana 4, Cuba

Dear Bishop Hernandez,

A few days ago I was grateful to receive a copy of the Heraldo Episcopal for Enero-Marzo 1985, for which I thank you. This arrived, as usual, at my former residence, from which I have just moved to a new address: 827 St. Paul Street, Baltimore, Maryland, 21202. Future issues would reach me there, but I think it preferable now to address them to me at the Maryland Historical Society, 201 West Monument Street, Baltimore, Maryland, 21201.

I am always happy to add copies of your publication to the growing collection of the Maryland Diocesan Archives, which are housed in this Society, concerning the Church in Cuba. As you are no doubt aware, we have a great deal of important material regarding the early days of the Church in Cuba, plus files of the Heraldo Episcopal for a number of years. Your kindness in sending this publication is much appreciated.

With every good wish,

Sincerely yours,

F. Garner Ranney
Historiographer of the Diocese of Maryland
